TAKE IT EASY ON
THE FIRST DAY OF
MADRASAH

*so that one is not
overwhelmed.
Furthermore, if after
making effort and
making Dua,
circumstances are not happening as
one had expected, then one should be
happy with what Allah has decided
and not worry about things that Allah,
out of His wisdom, doesn't want to
happen.*

ONE MUST REMAIN FILLED
WITH GRATITUDE TO ALLAH
TA'ALAA

*to have been given
the blessing and
opportunity to be a
student of Islam and
learn His beautiful
Deen.*
